

5-Minute Donor Demo Storyboard

Tiko → CBO (Mama Care)

Opening Context (0:00 – 0:30)

This demo shows how donor funds are converted into real, protected, and measurable impact through a structured Community-Based Organisation.

People Are Trained & Accountable (0:30 – 1:15)

Donors see that every staff member, mobilizer, and service provider is onboarded, trained, certified, and assigned clear roles.

Projects Are Planned Before Spending (1:15 – 2:00)

Projects, activities, budgets, timelines, and outcomes are defined before funds are released.

Financial Transparency & Control (2:00 – 2:45)

All procurement, approvals, payments, and budget performance are visible and auditable.

Assets & Inventory Are Tracked (2:45 – 3:20)

Medical supplies, equipment, and other assets are tracked, assigned, maintained, and insured.

Legal & Compliance Are Managed (3:20 – 3:45)

Contracts, agreements, and compliance documents are centrally managed with expiry alerts.

Beneficiaries Are Real & Protected (3:45 – 4:20)

Anonymised beneficiary records show real impact while protecting privacy and dignity.

Economic Empowerment Beyond Aid (4:20 – 4:40)

Entrepreneurship clubs and livelihood programs demonstrate long-term, sustainable impact.

Closing Impact Dashboard (4:40 – 5:00)

A final dashboard shows funds used, beneficiaries reached, cost per outcome, and overall impact.
